

The DFG-funded **Collaborative Research Center (CRC) »Production of Migration« (SFB 1604)** examines the conditions and functions of the social production and negotiation of migration across disciplines. The aim of SFB 1604 is to establish reflexive migration research as an approach to the study of society. The CRC comprises 17 projects and an Integrated Research Training Group for its PhD students. It is located at Osnabrück University. Partner institutions are the University of Münster, the Goethe University Frankfurt, the Europa-Universität Flensburg and the FU Berlin/ZZF Potsdam.

The Collaborative Research Center is offering

18 positions for Doctoral Researchers (m/f/d)

(salary level 13 TV-L, 75 %)

3 positions for Postdoctoral Researchers (m/f/d)

(salary level 13 TV-L, 100 %)

These positions begin on April 1, 2024 and end on December 31, 2027.

Please submit your complete application documents no later than **January 10, 2024** to sfb1604@uni-osnabrueck.de. Specific information concerning the individual projects and job advertisements can be found at www.producingmigration.org. We are looking forward to your application.
